Biography

Michael Joe Reichmuth is currently working as a research assistant in the team Leadership and Communication Studies at the Military Academy (MILAC) at ETH Zurich, where he leads the development of the Leadership Index Swiss Armed Forces (LISA), a project aimed at measuring leadership quality within the Swiss Armed Forces. He has been affiliated with the team since June 1, 2024.

Besides his research activities, he is pursuing a Master of Science in Psychology at the University of Basel with a focus on organizational psychology and data science. He has previously completed two years of military service in the Swiss military police and is currently assigned as a specialist within the Psycho-Pedagogical Service of the Swiss Armed Forces. As a captain, he has gained an in-depth insight into military leadership culture, which enables him to support his research with valuable practical insights.

Main areas of research

- Heuristic Leadership Models
- Leadership Scale Development
- Complexity Theory
- Computational Modelling

Teaching

- Computational Methods I (Bachelor in Public Policy ETH Zurich), ETH Zurich
