

Courses overview 2027

By providing multinational education and training, INCOA fosters the exchange of best practices, supports the harmonization of leadership standards, and prepares NCOs to operate effectively in joint and multinational environments.

Through its programs, INCOA contributes to building trust, strengthening cooperation, and supporting the long-term objectives of stability and collective security in Europe. It builds on over 20 years of excellence in delivering Intermediate and Advanced NCO Leadership Courses within the Swiss Armed Forces.

All residential courses take place in the vicinity of Lucerne, Switzerland, free of charge. Lodging and food are covered by the INCOA, travel expenses to be paid by the sending nation/HQ.
